

MORGAN AMATEUR RADIO CLUB MINUTES
DECEMBER 31, 2020

On Monday, December 21, 2020, the Morgan Amateur Radio Club held a North Pole Net for the children in the Morgan Area. The event was held at the Morgan County News Building from 5pm to 7pm and about eighteen children enjoyed talking to Santa at the North Pole using Ham Radio. They were also given a candy cane treat as they left.

Several on-air planning meetings were held prior to the event. Club President Shane Green (KJ7IIN) used the Morgan County Repeater after the Sunday night ERC nets to discuss options and assignments.

Thanks to all who helped with the event:

Shane (KJ7IIN): Set-up, decorations, greeter, candy cane helper.

Lindsay (KJ7STL): Special helper at the North Pole, arrangements for newspaper announcement and event location

Grant (K7GL) and Annette (K7ALL): Special Event Call Sign (W7S—Whiskers 7 Santa); Club Banner use; Radio helper

Joanne (KF7LLO) and Steve W. (KF7LLN): Radio set-up, candy canes, greeter and radio helper

Forrest (KG7NJF) and Marcie (KG7QNR): Signs for the doors; Recruitment; door management; Direction of visitors

Archie (KB7ZCL): Recruitment and door management

Morgan County News: Announcement in the newspaper; use of their building.

A thank you note was sent by the club to the Morgan County News for their help.

Respectively submitted, Marcie (KG7QNR), Secretary/Treasurer
